Quest for Light

OUR VISION

We, at Sibsagar College, Joysagar, endeavour to impart futuristic basis education in Science and Humanities and instill in our students admirable high patterns of Discipline through our dedicated staff who are determined to set global standards, making our students educationally superior and ethically strong, who in turn shall improve the quality of life of the society, of the country and of the human race as a whole.

Late Padmadhar Chaltha
Founder Principal of the College

OUR MISSION

Our mission is to educate students from all over the country including those from the local and rural areas, and from other countries too, so that they become enlightened individuals, improving the living standards of their families, the society, the state and the country they belong to. The college fraternity will provide individual attention, quality education and deep sense of discipline. They will induce sense of belonging to the institute and to the country and will take care of character building.

Late Parag Chaltha
Chief Architect and the
2nd Principal

OUR OBJECTIVES

An institute of higher learning has three key responsibilities - to its students, to the cause of knowledge and towards society. Sibsagar College, Joysagar carries forward its roles and responsibilities seriously. To its students this institute is not just an institute of learning but a moulding centre where their character and values are shaped. As a premier academic institute the role of Sibsagar College, Joysagar transcends' conventionality. Finally, the humble step that Sibsagar College, Joysagar takes further the larger goal of the society. It has been an exciting journey over the last six five years and continues to be a promising one with new prospects.

We, at Sibsagar College, Joysagar, aspire to establish a system of Quality Assurance which would on a continuous basis evaluate and monitor the quality of education and training imparted at the institute, improve the teaching learning process and, ultimately, develop the institute as a Centre of Excellence.

Welcome Address

Greetings to everyone

I heartily welcome you all to Sibsagar College, Joysagar (Autonomous), Sivasagar, Assam. Since 1947, the College has been retaining its magnificent antiquity of triumph and ascendancy in the wonderful scenic embrace of the historic Jogsagar Tank witnessing the 'valorous sacrifice' of Sati Jaymoti every day. With the sublime motto- "*Quest for Light*", the College has been imparting quality education in the turf of Science and Humanities in this part of the country accomplishing a host of significant achievements such as--College with Potential for Excellence in 2007, 'A' grade from NAAC in 2017, Collaborative Research Grant under DBT College Scheme in 2019 and finally the recognition of Autonomous College in the year 2021. Further, its ascendancy gets flourished and intensified with two International Seminars creating a milestone in the Seventy Five years of history of Sibsagar College with the presence of eminent intellectuals as well as Academicians of international repute. Moreover, the College celebrated Platinum Jubilee in the year 2022 to mark its Seventy-Five years of glorious journey and in the inaugural function of the said event Honourable Chief Minister Dr. Himanta Biswa Sharma has promulgated the long-cherished dream of Sibsagar College with the 'giant' statement that the Sibsagar College, Joysagar (Autonomous) would be upgraded soon to a full-fledged university leading towards its recent subsequent affirmative trajectory. Subsequently, on December, 2023 the institute has been upgraded to Sibsagar University vide 'The Sibsagar University Act, 2023' as per the Gazette Notification No. LGL.38/2023/34 dated 1st December, 2023 published on 8th December, 2024.

Since its inception, the College has been serving the society imparting quality education to the enthusiastic students, producing human resource creating global citizen thereby contributing to the nation and to the entire globe. We always motivate the young minds to learn and contribute for the betterment of the society and inspire many others to realize their individual responsibility towards humanity. We cheer for those who are passionate to accomplish and exhibit their creativity and originality in the field of Pure Science or Social Science research, Art & Culture or in any other field. We also facilitate and welcome those brilliant students facing financial or any other hardship to fulfil their dream and desire for learning so that they can embellish their thought and ingenuity in a congenial ambience. This College is a unique hub of learning with sufficient number of expert and experienced faculty members in sixteen different Departments of Science and Arts who can adequately cater to the needs of the Student Community.

We have started PG in Assamese, English, History, Chemistry, Mathematics, Physics and Life-Science in regular mode. We have also opened an extension of the main college in the form of Sibsagar College Teachers' Education to offer regular 73.2d course. Besides, we are able to arm ourselves with three well equipped laboratories Material Science Laboratory, Biotechnology HUB, Super conductivity and Thin Film Laboratory to facilitate and accommodate researchers within the college campus itself. The College has been offering various courses through Open and distance Learning (ODL) mode under Krishna Kanta Handique State Open University (KKHSOU) and Dibrugarh University to the people of different age and diverse social background. Finally, I would like to welcome all who have come in 'quest of light' to become a part of this institution and are excited to accompany us in this incessant and purposive journey towards excellence.

Thanks to all

Dr. Profulla Chandra Kalita
Principal & Secretary
Sibsagar College, Joysagar (Autonomous)
(upgrading to Sibsagar University)

Profile of the College

Sibsagar College, Joysagar a premier seat of Higher Education in this part of the country, is situated at Joysagar beside the historic tank which stands as testimony to the hallowed memory of Sati Joymati, the Tai Ahom Queen of the 17th century. This college is located amidst a picturesque atmosphere, about 5km south-west of Sivasagar Town, quite away from the din and bustle of town-life. It was established in 1947, coinciding with independence, upholding the aura of that awakening and has traversed a long way since then. Over the years it has established a glorious tradition of possessing resourceful and accomplished faculty members and an impressive record of academic output. A posse of patriots and statesmen were its architects, some of whose names have come to be indelibly stamped in the annals of Asom. Their selfless and unflinching commitment had ushered in a rich heritage to this College. Initially, the college began with 86 students and 7 staff members at Kali Prasad Memorial Hall of Sivasagar town. In 1952 it was moved to its present location where infrastructural expanse began to emerge, through the magnanimity of many of its cluster of patrons. It was initially affiliated to Gauhati University. In 1965, its affiliation was transferred to Dibrugarh University as soon as the latter was founded. Its motto as printed in Assamese পোহৰ বিচাৰি যাওঁ on the emblem stresses its mission, i.e. 'quest for light'. The sacrifice of some modest and humble souls of the neighbouring areas in terms of human and material resources, and the patronage of some other prominent well-wishers contributed largely to the growth of the college. Mention must be made of some generous donations of Late B.L. Lahoty, Late S.N. Tantia, Late D.P.M. Baruah, Late P.C. Boruah, Late K.N. Dutta, Late B.P. Chaliha, who donated the Haribux Lahoty Hall, the Bagri Hall, the Tantia Vigyan Mandir, the D.P.M. Baruah Bhavan, the H.P.M. Library and Museum later reconstructed by Mr. Jayanta Baruah, the son of Late P.C. Baruah and H.P. Baruah, Haliram Dutta Bhavan and a substantial amount of money to start building the college auditorium known as the M.C.B. Hall respectively. An addition to these buildings is the J.P.C. Memorial Lecture Hall donated by Mr. Ranjit Chaliha and his family, a noted tea planter of Asom. The names above are only a select few from among the cynosures to reflect the generosity, co-operation and enthusiasm of those who had envisioned to ensure the dream of establishing a College of this dimension and which had incubated be concretized into reality.

Special mention must be made of the selfless sacrifice of Late Padmadhar Chaliha who was the founder Principal of the college and also a famous litterateur of Asom. He was the president of Asom Sahitya Sabha, and popularly known as the Phulonir Kobi in Assamese literature. He was rather a connoisseur in the socio-cultural ambience of the Assamese people. Mention must also be made of Late Parag Chaliha, the son of the founder Principal and the next Principal, who shouldered the responsibility of strengthening the pillar of knowledge in the form of Sibsagar College at Joysagar. He was the real kingpin cum architect of this college and was distinguished by a rare personality of multifaceted nature and invincible courage and was rightly called '*Seuj Konwar*' the evergreen youth. A litterateur, a lyricist, a dramatist, a composer, a sportsman and a leader - an institution in himself, he happened to be the President of the Asom Gana Parishad and a member of the Rajya Sabha after his retirement. People like Late Muhiram Saikia, a former Minister of State, Human Resource Development, Govt. of India, Prafulla Kr. Barua, a noted Assamese film-maker and dramatist, Late Biren Borkotoky, President -Asom Sahitya Sabha, Late Dr. Bhabendranath Saikia, noted film-maker and litterateur, to name a few who immensely contributed to the growth of the College in its early formative stages by being a part of the dynamic faculty of Sibsagar College.

The College with its strong infrastructure sprawling across 103 bighas of land, has been rendering its duty of disseminating general education among the populace of the entire upper Asom in particular and the people of the North-east in general during its enviable existence of the last seventy-five years by dint of selfless service rendered by its vast array of a band of efficient and most devoted faculty members. The College now offers both conventional and unconventional combination of subjects under 16 different departments with wide flexibility and option open for students which are evident from various details incorporated for perusal of learners who seek admissions to the College. Added to this, the College Fraternity have resolved to work in unison to acclimatize themselves to the contemporary paradigms and indices of Higher Education such that the learners find a conducive platform to work on their potential to respond to the dynamics of contemporary global challenges in a befitting manner. The accreditation of the College with Grade 'A' by NAAC in the year 2017 has set the ball rolling for a future to be donned with success. The recognition of Autonomous College in the year 2021 gilded the lily unfurling a promising world towards its novelty and originality.

The College celebrated the Platinum Jubilee in the year 2022 with a year long programme marking its seventy-five years of glorious existence and in the inaugural session of Platinum Jubilee Celebration Honourable Chief Minister Dr. Himanta Biswa Sharma added a feather to the cap with the announcement of upgrading the college to a full-fledged university and it undoubtedly brought forth an expanded academic horizon. Subsequently, on December, 2023 the institute has been upgraded to Sibsagar University vide 'The Sibsagar University Act, 2023' as per the Gazette Notification No. LGL.38/2023/34 dated 1st December, 2023 published on 8th December, 2024.

This upward trajectory is further enhanced with the introduction of NEP from this current Academic session. Thus, the College is actively engaged and participated in the process of bringing a paradigm shift in Higher Education by orienting curriculum frameworks and structure with the National Education Policy 2020 from this session onwards.

The Present Governing Body of the College

- Dr. Prakash Kotoky, President
- Dr. Profulla Ch. Kalita, Principal & Secretary, Sibsagar College, Joysagar
- Mr. Akhil Gogoi, Member, Member (Hon'ble Local MLA)
- Prof. (Dr.) V. S. Negi, Member (UGC Nominee)
- Prof. Prodeep Kr. Borua (Retd.), Member (Hon'ble V.C.'s Nominee)
- Mr. Kartick Ch. Dutta, Member (Educationist)
- Superintendent Sivasagar Civil Hospital, Member (Govt. of Assam Nominee)
- Dr. Mrinal Mahanta, Member (Govt. of Assam Nominee)
- Dr. Tridib Mahanta, Member (Nominated by Principal)
- Dr. Utpal Dutta, Member (Nominated by Principal)
- Ms. Shilpi Sikha Devi, Member (Librarian)
- Mr. Ranjit Baruah, Member (S.A., Non-Teaching Employee Representative)

Some Important Committees of the College

1. Internal Quality Assurance Cell.
2. Internal Complaint Committee.
3. Disciplinary and Anti Ragging Committee.
4. Grievance Redressal Cell.
5. Career Counselling and Entry-in-Service Cell.

Initiatives and Good Practices of the College

Sibsagar College, Joysagar has been adopting some healthy practices and has already started numerous innovating ideas to improve the teaching-learning environment of the College, e.g.:

- Library-Users Class (LUC) for the 1st semester students of both Arts and Science streams regularly
- Exclusive personal care through special arrangement for students depending on/ having individual aptitude and ability
- Mid Semester counselling and feedback assessment of students
- ODL Courses under Krishna Kanta Handique State Open University (KKHSOU) and under Dibrugarh University Distance Mode
- Timely career counselling for future courses of study and employment opportunities
- Special arrangement for grievance redressal
- Monitoring of students' progress through frequent sessional exams, group discussion and seminars
- Contacts with the guardians

- Provision of Group Insurance for students
- Broadband Internet Connectivity and Computer Labs
- Innovative Class Routine and Academic Calendar
- Library Diaries for the students
- Research facilities for teachers and students
- Botanical Garden & Frorarium
- Beautification of Campus
- Digital classroom with all audio-visual aids like digital whiteboard, LCD Projectors etc.
- Video Conferencing facility
- Language Laboratory
- Uninterrupted power supply in classroom, laboratory, library and office
- Additional women's hostel
- Separate Common Rooms for girls and boys
- Students' Union Office
- Alumni Association
- Parents Teachers Association

COURSES OF STUDY

DETAILS ABOUT FOUR YEARS UNDER GRADUATE PROGRAMME (FYUGP) UNDER NEW EDUCATION POLICY (NEP) 2020

OBJECTIVES

- To conduct four years under graduate programmes of study with honours and research in various disciplinary and interdisciplinary subjects of Arts, Humanities, Social Science and Natural Science as per guidelines of UGC's Curriculum and Credit Framework for Undergraduate Programmes vis-à-vis NEP-2020.
- To provide opportunity to teaching-learning community to enter into a multidisciplinary setting of academics through a choice-based system in which learners have options to earn credits from a variety of courses across disciplines.
- To create avenue for holistic development of the students through a wide range of curricula in which, besides normal classroom teaching-learning, there shall be focus on learning through practicum, field work, project work, internship, apprenticeship, community work, co-curricular and extra-curricular activities etc.
- To provide a student-centric, flexible, choice-based credit framework with multiple entry and exit options, which will facilitate the students to pursue the trail of career chosen by themselves as per their interest.

DEFINITIONS

- Course: means a theory or practical course/paper under a Programme with specified number of credits/hours.
- Discipline: means a subject viz. Assamese, Education, Chemistry, Computer Science etc.
- Value Added Common Courses (VACC): means papers or courses that a student shall commonly pursue in all academic programmes leading to award of bachelor degree viz. Understanding India, Environmental Science/Study, Digital and Technological solutions, Health & Wellness/Yoga/Fitness/Sports etc.
- Ability Enhancement Courses (AEC): means papers or courses with special emphasis on language and communication skills that a student shall commonly pursue in all academic programmes leading to award of bachelor degree viz. English, MIL – Assamese etc.
- Multidisciplinary Introductory Courses (MIC): means papers or courses that a student shall commonly pursue in all academic programmes intended to broaden the intellectual experience and form part of liberal arts and science education.
- Skill Enhancement Courses (SEC): means skill-oriented papers or courses that a student shall choose from a pool of courses across all disciplines/subjects without being restricted to a particular discipline or stream.
- Major (Mj): means a set of either disciplinary or interdisciplinary papers or courses that a student shall choose as his/her main subject/discipline.
- Minor (Mn): means a set of either disciplinary or interdisciplinary papers or courses that a student shall choose as his/her secondary subject/discipline.
- Research & Experiential Courses (REC): means papers or courses that a student shall pursue in the academic programmes intended to experience them with research through project work, dissertation, field work, internship, apprenticeship, community engagement etc.

- MOOCs Courses: means the papers or courses that a student shall pursue from digital/online platforms viz. SWAYAM.
- Add-on Skill Enhancement Courses (ASEC): means the additional courses which will create opportunity for the learners to earn additional credits to their academic pursuance as well as acquire some employability skills in life.

SEAT CAPACITIES FOR MAJOR AND MINOR COURSE IN FYUG PROGRAMME

Sl. No.	Department	Nos. of seats available	Sl. No.	Department	Nos. of seats available
1.	Assamese	60	2.	Botany	60
3.	Education	60	4.	Chemistry	70
5.	Economics	60	6.	Comp. Science	50
7.	English	60	8.	Electronics	40
9.	History	60	10.	Geology	60
11.	Philosophy	60	12.	Mathematics	70
13.	Pol. Science	70	14.	Physics	70
			15.	Statistics	40
			16.	Zoology	60

STRUCTURE OF PROGRAMMES

Categorization of Courses

Every Under Graduate Programme shall have a curriculum with syllabi consisting of theory and practical courses that shall be categorized as follows which have been defined above in DEFINITIONS section:

- Value Added Common Courses (VACC)
- Ability Enhancement Courses (AEC)
- Multidisciplinary Introductory Courses (MIC)
- Skill Enhancement Courses (SEC)
- Major (Mj)
- Minor (Mn)
- Research & Experiential Courses (REC)
- MOOCs Courses
- Add-on Skill Enhancement Courses (ASEC)

Co-curricular and Holistic Development Programmes

- All students shall enroll, on admission, in any one of the Co-curricular and Holistic development programmes – NCC/NSS/Sports Society/Cultural Society/Literary Society/Science Society/Fine Art Society/Eco Society.
- National Cadet Corps (NCC) will have parades/drills/training/camping etc.
- National Service Scheme (NSS) will have social service activities in and around the College as well as in the neighbouring locality, viz. Swacha Bharat Abhiyan, blood donation camp, health camp etc.
- Sports Society shall have activities in sports, games, drills and physical exercises.
- Cultural Society shall have activities in music, dance, drama etc.
- Literary Society shall have activities in poetry, story, essay, debate, quiz, speech etc.

- Science Society shall have activities of popularisation of science and scientific temper through various activities, works of great scientists, observing National Science Day etc.
- Fine Arts Society shall have activities in painting, sculpture, craft making etc.
- Eco Society shall have activities relating to environmental promotion and awareness, plantation of tree saplings etc.
- Students who enrol and take active participation in anyone of the above activities and undergo training/conduct activities for about at least 20 hours every year (2 Semester period) and in total 80 hours in all 8 Semesters. On completion of every 20 hours of activity they shall be awarded a certificate by the Principal on being forwarded by the concerned Teacher-in-charge.
- While the training activities will normally be during weekends, the camp will normally be during vacation period.

Number of courses per semester

Each semester curriculum shall normally have a blend of courses having theory classes / practicum / seminar / group discussion / assignment / project work / field work / internship / apprenticeship.

Credit Assignment

Each course shall be assigned certain number of credits based on the following:

Contact hour per week	CREDIT
1 Lecture contact hour	1
1 Tutorial contact hour	1
2 Laboratory contact hours (also applicable for seminar/ group discussion/ assignment/ project work/ field work etc.)	1

Training/Internship/Apprenticeship

The students may undergo training/internship/apprenticeship for a period as specified in the Curriculum during the summer / winter vacation. In this case, the training has to be undergone continuously for a period of at least two weeks in an organization.

The students may undergo Internship at a Research organization / University/ Industry (after due approval from the HoD and the Principal) for the period prescribed in the curriculum during the summer / winter vacation. Attendance Certificate mentioning the period of Training / Internship and signed by the competent authority of the organization/institution, as per the prescribed format. The HoD shall forward each such case to the Principal. The attendance certificate shall be forwarded to the COE by the concerned HoD for processing results.

DURATION OF TRAINING/INTERNSHIP	CREDITS
2 Weeks*	2 (64 hours)
4 Weeks	4 (128 hours)

*1 Week = 32 Internship Hours

Medium of Instruction

The medium of instruction is English and Assamese for all courses, examinations, Seminar presentations and Project Work reports.

Registration in Academic Bank of Credits and Provision of Credit transfer

All the students of the College shall be made registered in Govt. of India's flagship initiative 'Academic Bank of Credits' vide its web portal <https://www.abc.gov.in>. There shall be provision of credit transfer to and from other institutions through <https://www.abc.gov.in> and also from SWAYAM.

Duration of the Programme

- The total duration of Four Year Under Graduate Programme is 4 years which is divided into 8 semesters having 2 semesters in a year.
- Students may be permitted to take a break from the study during the period of study but the total duration for completing the programme shall not exceed 7 years.

Semester Periodization

- Odd Semesters: July – December (including end-semester examinations and semester breaks)
- Even Semester: January - June (including end-semester examinations and semester breaks)

NB: Any change in the Academic Calendar/Schedule may be made by the College whenever necessary.

Multiple exit and entry options

- Students who desire to exit will be allowed to do so at any semester before completion of the Four Year UG Programme. If a student wants to leave after the completion of the first or second or third year, the student will be given a UG Certificate or UG Diploma or UG Three Year degree respectively, provided they secure the prescribed number of credits as stated below.
- Students exiting the programme after securing 44/88/132 credits will be awarded UG Certificate/Diploma/Three Year Bachelor Degree in the relevant Discipline/Subject provided they secure additional 4 credits (for UG certificate & UG diploma) in work based vocational courses offered during summer term or internship / apprenticeship.
- Students who exit with a UG certificate or UG diploma or UG Three Year degree from the College are permitted to re-enter the Four Year UG Programme and complete the degree programme within the period of maximum seven years.
- Multiple entry option shall also be provided to those students coming from other HEIs after securing valid credit points in accordance with provisions, rules and regulations of UGC whose credit points have been registered in the Govt. of India's flagship initiative 'Academic Bank of Credits' vide its web portal <https://www.abc.gov.in>
- However, for the lateral entrants stated above, the College shall adopt a policy and process of selection which may be either on the basis of merit of the applicants or a selection test. Moreover, the College shall reserve some seats in the respective semesters for the applicants selected through this process.

MASTER DEGREE COURSES

OBJECTIVES

- To conduct post graduate programmes of study with experience of research in Science and Arts streams in various subjects.
- To provide opportunity to teaching-learning community to enter into a setting of academics through a choice-based system in which the learners shall primarily earn credits from the core discipline of study beside opportunity to earn a few credits from other disciplines.
- To create avenue for holistic development of the students through a wide range of curricula in which, besides normal classroom teaching-learning, there shall be focus on learning through practicum, field work, project work, community work, co-curricular and extra-curricular activities etc.

STRUCTURE OF PROGRAMMES

Categorization of Courses

Every MA/MSc Programme shall have a curriculum with syllabi consisting of theory and practical courses that shall be categorized as follows:

- ‘Core Courses (CC)’ are the compulsory courses which shall be taught in concerned Core discipline(s)/subject(s) as major/main course.
- ‘Discipline Specific Elective Courses (DSEC)’ are the elective courses which shall be taught in the same discipline from which a student takes up his/her core courses.
- ‘Open Elective Courses (OEC)’ are the courses which a student may opt from the courses offered across all PG running Departments irrespective of stream including the Core Discipline/Subject/Department, and also from online courses offered in the platform of SWAYAM.
- ‘Research and Experiential Courses (REC)’ are the courses through which a student shall obtain knowledge through experiential learning through the activities – research methodology, field works, community works, projects, dissertation, internship etc.
- Co-curricular and Holistic Development Programmes
- All students shall enrol, on admission, in any one of the Co-curricular and Holistic development programmes – NCC/NSS/Sports Society/Cultural Society/Literary Society/Science Society/Fine Art Society/Eco Society/village development society etc.
- National Cadet Corps (NCC) will have parades/drills/training/camping etc..
- National Service Scheme (NSS) will have social service activities in and around the College as well as in the neighbouring locality, viz. Swachata Abhiyan, blood donation camp, health camp etc.
- Sports Society shall have activities in sports, games, drills and physical exercises.
- Cultural Society shall have activities in music, dance, drama etc.
- Literary Society shall have activities in poetry, story, essay, debate, quiz, speech etc.
- Science Society shall have activities of popularisation of science and scientific temper through various activities, works of great scientists, observing National Science Day etc.
- Fine Arts Society shall have activities in painting, sculpture, craft making etc.
- Eco Society shall have activities relating to environmental promotion and awareness, plantation of tree saplings etc. Village Development Society shall have activities relating to development and awareness programme to be conducted in adopted and nearing villages
- Students who enrol and take active participation in anyone of the above activities and undergo training/conduct activities for about at least 20 hours every year (2 Semester period) and in total 40 hours in all 4 Semesters. On completion of every 20 hours of activity they shall be awarded a certificate by the Principal on being forwarded by the concerned Teacher-in-charge.
- While the training activities will normally be during weekends, the camp will normally be during vacation period.

Number of courses per semester

Each semester curriculum shall normally have a blend of courses having theory classes / practicum / seminar / group discussion / assignment / project work / field work / internship / apprenticeship.

Credit Assignment

Each course shall be assigned certain number of credits based on the following:

Contact hour per week	CREDIT
1 Lecture contact hour	1
1 Tutorial contact hour	1
2 Laboratory contact hours (also applicable for seminar/ group discussion/ assignment/ project work/ field work etc.)	1

Training/Internship/Apprenticeship

- The students may undergo training/internship/apprenticeship for a period as specified in the Curriculum during the summer / winter vacation. In this case, the training has to be undergone continuously for a period of at least two weeks in an organization.
- The students may undergo Internship at a Research organization / University/ Industry (after due approval from the HoD and the Principal) for the period prescribed in the curriculum during the summer / winter vacation. Attendance Certificate mentioning the period of Training / Internship and signed by the competent authority of the organization/institution, as per the prescribed format. The HoD shall forward each such case to the Principal. The attendance certificate shall be forwarded to the COE by the concerned HoD for processing results.

DURATION OF TRAINING/INTERNSHIP	CREDITS
2 Weeks*	2 (60 hours)
4 Weeks	4 (120 hours)

*1 Week = 30 Internship Hours

Medium of Instruction

The medium of instruction is English for all courses, examinations, Seminar presentations and Project Work reports, except for the courses of PG programme in Assamese which shall be Assamese.

Credit transfer

There shall be provision of credit transfer from SWAYAM and to and from other institutions through Govt. of India's flagship initiative 'Academic Bank of Credits' vide its web portal <https://www.abc.gov.in>

Duration of the Programme

- The total duration of MA/MSc Programme is 2 years which is divided into 4 semesters having 2 semesters in a year.
- A student is ordinarily expected to complete the MA/MSc Programme with Research in 4 semesters, but under any circumstance not more than 5 academic years.
- Each semester shall normally consist of 90 teaching days or 360 periods of 1 hour each combining all courses under a programme.

- Each semester shall normally consist of 24 working days for conduct of end-semester examination including conduct of examination for practicum, project work etc.
- Each semester shall normally have 30 or 31 days (as the case may be) as semester break to complete the process of evaluation works of examinations held and also to enable the faculty members avail remaining period as vacation

Semester Periodization

- Odd Semesters: July – December (including end-semester examinations and semester breaks)
- Even Semester: January - June (including end-semester examinations and semester breaks)
- NB: Any change in the Academic Calendar/Schedule may be made by the College whenever necessary.
- Semester-wise Structure of the Programmes
- The Semester-wise structure of the programmes are available in the respective academic departments.

The Course Structure

Course structures are available in the respective departments offering PG programmes.

* Planning for introduction of Post Graduate Programmes in EDUCATION, ECONOMICS, POLITICAL SCIENCE and GEOLOGY are under process and is subject to the approval of Academic Council of Sibsagar College, Joysagar (Autonomous) and shall be notified in due course of time.

SCOPES AND OPPORTUNITIES

UNDER GRADUATE PROGRAMS

1. Assamese

- Teaching positions in schools, colleges, and universities.
- Opportunities in media, journalism, and publishing.
- Translation and content writing jobs.
- Cultural organizations and government sectors.

2. Economics

- Banking and finance sectors including public and private banks.
- Government jobs in economic planning and policy-making.
- Research positions in academic institutions and think tanks.
- Opportunities in corporate sectors for financial analysis and consultancy.

3. Education

- Teaching positions in schools, colleges, and educational institutions.
- Roles in educational administration and management.
- Curriculum development and instructional design.
- Counseling and career guidance.

4. English

- Teaching English language and literature in schools, colleges, and language institutes.
- Content writing, editing, and publishing roles.
- Media and journalism opportunities.
- Advertising, public relations, and corporate communication roles.

5. History

- Research positions in historical research institutes and archives.
- Teaching positions in schools, colleges, and universities.
- Museum curators and heritage management roles.
- Opportunities in tourism and cultural sectors.

6. Philosophy

- Teaching positions in philosophy departments.
- Ethics and compliance roles in corporate sectors.
- Opportunities in research institutes and think tanks.
- Counselling and advisory roles.

7. Political Science

- Government jobs in civil services, public administration, and policy analysis.
- Political research and analysis roles in think tanks and NGOs.
- Journalism and media positions.
- Opportunities in international relations and diplomacy.

8. Botany

- Research and Development: Opportunities exist in agricultural research institutes, biotechnology firms, pharmaceutical companies, and botanical gardens for roles in plant genetics, breeding, conservation, and bioprospecting.
- Environmental Conservation: Careers in environmental consultancy, conservation organizations, and government agencies focusing on ecosystem management, biodiversity conservation, and sustainable resource management.
- Education: Teaching positions in schools, colleges, and universities. Opportunities also exist in educational outreach programs, botanical education centers, and science communication.
- Horticulture and Agriculture: Roles in agricultural extension services, nurseries, botanical gardens, and agribusinesses focusing on plant propagation, cultivation, and crop management.

9. Chemistry

- Pharmaceuticals: Opportunities in pharmaceutical companies for drug discovery, development, quality control, and formulation chemistry.

- **Chemical Engineering:** Roles in chemical process industries, petrochemicals, polymers, and materials science for process optimization, product development, and quality assurance.
- **Environmental Analysis:** Careers in environmental consultancy, regulatory agencies, and analytical laboratories focusing on pollution monitoring, waste management, and environmental remediation.
- **Research and Academia:** Positions in research institutes, universities, and government laboratories for fundamental and applied research in chemistry.

10. Computer Science

- **Software Development:** Careers in software companies, IT services firms, startups, and multinational corporations for roles in software engineering, web development, mobile app development, and database management.
- **Data Science and Analytics:** Opportunities in data-driven industries such as finance, healthcare, e-commerce, and marketing for roles in data analysis, machine learning, artificial intelligence, and big data management.
- **Cybersecurity:** Roles in cybersecurity firms, government agencies, financial institutions, and IT security consulting for roles in network security, penetration testing, threat analysis, and information security management.
- **Research and Academia:** Positions in research institutions, universities, and think tanks for research in computer science, theoretical computer science, and computational science.

11. Electronics

- **Embedded Systems:** Opportunities in industries such as automotive, consumer electronics, aerospace, and telecommunications for roles in embedded systems design, firmware development, and hardware-software integration.
- **Telecommunications:** Careers in telecommunications companies, network equipment manufacturers, and service providers for roles in network engineering, RF engineering, and telecommunication system design.
- **Digital Signal Processing:** Roles in industries such as audio processing, image processing, and telecommunications for roles in algorithm development, signal processing, and system design.
- **Research and Academia:** Positions in research institutions, universities, and government laboratories for research in electronics, semiconductor devices, and microelectronics.

12. Geology

- **Natural Resource Exploration:** Careers in mineral exploration, petroleum exploration, and groundwater exploration for roles in geological surveying, prospecting, and resource estimation.
- **Environmental Geology:** Opportunities in environmental consultancy, regulatory agencies, and engineering firms for roles in environmental impact assessment, site investigation, and remediation.
- **Geotechnical Engineering:** Roles in civil engineering, construction, and infrastructure development for roles in site characterization, foundation design, and slope stability analysis.
- **Research and Academia:** Positions in research institutions, universities, and government laboratories for research in geology, earth sciences, and geological hazards.

13. Mathematics

- **Finance and Banking:** Careers in banking, insurance, investment firms, and financial services for roles in risk analysis, asset management, and quantitative finance.
- **Data Science and Analytics:** Opportunities in industries such as healthcare, retail, logistics, and market research for roles in data analysis, predictive modeling, and decision support.
- **Operations Research:** Roles in manufacturing, supply chain management, transportation, and logistics for roles in optimization, scheduling, and efficiency improvement.
- **Research and Academia:** Positions in research institutions, universities, and government laboratories for research in mathematics, applied mathematics, and mathematical modeling.

14. Physics

- **Research and Development:** Opportunities in research institutions, government laboratories, and industries such as electronics, materials science, optics, and nuclear technology for roles in experimental and theoretical physics.
- **Engineering and Technology:** Careers in industries such as aerospace, defense, semiconductor, and renewable energy for roles in engineering design, product development, and technology innovation.

- **Medical Physics:** Roles in healthcare institutions, medical device companies, and research laboratories for roles in medical imaging, radiation therapy, and biomedical instrumentation.
- **Education:** Teaching positions in schools, colleges, and universities. Opportunities also exist in educational outreach programs, science centers, and informal science education.

15. Statistics

- **Data Analysis:** Careers in industries such as finance, healthcare, marketing, and social sciences for roles in statistical analysis, predictive modeling, and data visualization.
- **Biostatistics:** Opportunities in pharmaceutical companies, healthcare institutions, and public health organizations for roles in clinical trials, epidemiological studies, and health data analysis.
- **Market Research:** Roles in market research firms, advertising agencies, and consulting firms for roles in survey design, data collection, and statistical analysis of market trends.
- **Research and Academia:** Positions in research institutions, universities, and government laboratories for research in statistics, applied statistics, and statistical methodology.

16. Zoology

- **Wildlife Conservation:** Careers in wildlife conservation organizations, zoos, national parks, and environmental NGOs for roles in biodiversity conservation, habitat management, and wildlife research.
- **Veterinary Sciences:** Opportunities in veterinary clinics, animal hospitals, and research institutions for roles in animal care, disease diagnosis, and veterinary research.
- **Marine Biology:** Roles in marine research institutes, oceanographic institutions, and fisheries departments for roles in marine biodiversity conservation, fisheries management, and marine ecology.
- **Education:** Teaching positions in schools, colleges, and universities. Opportunities also exist in educational outreach programs, zoological parks, and science communication.

POST GRADUATE PROGRAMS

1. Assamese, English, and History:

- Higher education teaching positions.
- Research positions in respective fields.
- Editorial and content writing roles.
- Opportunities in media, publishing, and cultural organizations.

2. Chemistry and Physics:

- Research and development roles in industries like pharmaceuticals, materials science, energy, etc.
- Teaching positions in colleges and universities.
- Government research institutes and laboratories.

3. Mathematics:

- Actuarial roles in insurance and finance sectors.
- Data analysis and modeling positions in IT, finance, and research organizations.
- Teaching and research positions in academia.

4. Life Science:

- Biotechnology and pharmaceutical research roles.
- Opportunities in healthcare and medical research.
- Environmental science and conservation positions.
- Teaching and academic research roles.

REGISTRATION (for both UG & PG Programme)

General Registration

Each student of 1st Semester has to make one-time general registration for himself/herself in the College which is to be completed within 1 month from starting of courses. The general registration of the student shall be approved by the Parent University with issue of Registration Certificate to those who have not earlier registered with the Parent University.

Course and Examination Registration

- Each student in each semester has to make course and examination registration for himself/herself selecting all the courses to be undergone in the curriculum of a particular semester and also the backlog courses of previous semester(s) which is to be completed within 2 months from starting of courses.
- The course registration details of the student shall be approved by the Principal and forwarded to the Controller of Examinations. This registration is for undergoing the course as well as for writing the End Semester Examinations.

ATTENDANCE REQUIREMENTS FOR COMPLETION OF THE SEMESTER

- A student who fulfils the following conditions shall be deemed to have satisfied the requirements for completion of a semester.
- Ideally every student is expected to attend all classes of all the courses and secure 100% attendance. However, in order to give provision for certain unavoidable reasons such as medical / participation in sports, the student is expected to attend at least 85% of the classes of PG Programmes and at least 80% of the classes of FYUGP.

MENTOR-MENTEE FORUM

There shall be separate Mentor-Mentee Forum semester-wise, department-wise and student-wise comprising the mentor to be appointed by concerned HoD and the assigned mentees which shall be responsible for transaction of curriculum and performing all other activities for the assigned mentees in which the concerned mentor shall act as Chairperson and a nominated/selected mentee as Coordinator. It is like the 'Quality Circle' with the overall goal of improving the teaching-learning process.

Class Routine

Routine is provided at the beginning of the classes in each semester. Sibsagar College, Joysagar prepares its routine with a team of experts in an effective and innovative manner. Classes will be held from 9:00 am to 4:00 pm. Activities like co-curricular events, extracurricular activities including NCC and NSS etc. will be taken up in the afternoon hours.

Advanced Class Room

Facilities The College has several advanced class-rooms like - Science Gallery, Arts -1, UGC-1, UGC-2 etc. equipped with audio-visual aids, computers, smart boards, projectors etc.

JPCM Hall

Apart from the regular class-rooms, the College has an auditorium cum lecture hall called Jadav Prasad Chaliha Memorial (JPCM) Hall, which is fitted with audio and LCD Projector System with Online UPS system for uninterrupted power.

Video Conferencing Module

Sibsagar College, Joysagar has a High Definition active video conferencing module with a static IP address. This facility often used in several National and International Seminars organised in the College.

Language Lab

The College has created a language laboratory which is equipped with modern technology and teaching aids. The system includes an audio server and 20 terminals for interactive sessions.

Library

The Hiranya Prabha Memorial Library & Museum (HPMLM) is the central library facility of Sibsagar College, Joysagar. However, each department of the College has individual library setup, which are under this library facility. As of today, the total number of books is more than 60,000 and the same of the back volumes is around 51,000. HPMLM regularly subscribes to periodicals, journals, newspapers etc. The HPMLM has a valuable collection of manuscripts in its original form. The library is almost automated with SOUL 2.0 software and it has the subscription of more than 6,000 e-journals, 97,000 e-books from the N-List provided by I N FL I BN ET. Reading Room of the HPMLM is remarkable and a prototype. The museum of HPMLM has a collection of archaeological, antique and traditional items. The latest additions to the library are digital copier, scanner and printer facilities. The library has an important module called - 'Internet Browsing Centre' which provides free internet services to students, teachers and visitors. Library issues library cards to the students against which they may avail books for reading.

Laboratory Facilities

Well equipped, spacious laboratories of the College for science students are the best in the region. All departments of the Science Stream have their own laboratory facilities. Regarding Promotion of Research, the College has undertaken the following initiatives and measures—the establishment of a research centre in the capacity of Thin Film Laboratory, establishment and running of Material Science Laboratory in the Department of Physics, Bio-technology Hub, Ph. D. research centres in - Department of Electronics, Department of Zoology, Department of Botany etc. Moreover, numerous minor research projects of UGC are being carried out in all the departments. The College has formed two separate research committee for Arts and Science streams for addressing different issues of research.

Thin Film and Super-Conductivity (TFSC) Lab

Established in the year 2009, under the guidance of Dr. P.C. Kalita (Now Principal, Sibsagar College, Joysagar) and R.P. Dutta of Department of Electronics, the TFSC Lab was constructed from the UGC and CPE grants. It is a Dibrugarh University recognised laboratory facility. It has sophisticated equipment like High Vacuum Coating Unit, Hydraulic Press, Furnace, Hot-Air Vents, Distilled Water Plant, Four Probe IV-Apparatus, Ultra Sonic Cleaner, Manual IV Characterisation System with sophisticated light source, Tolansky Interferometer for thin film thickness measurement etc..

Material Science Laboratory

Established in the year 2012, under the guidance of Dr. D. Saikia, Department of Physics, Material Science Laboratory was constructed from the grant of 77.41 lacs from Department of Electronics and Information Technology (Deity), New Delhi, is one of the sophisticated science labs of the institution. It has equipment like -Thin Film and Chemical Vapour Deposition units, Chemical Bath Deposition System, PL-Spectrophotometer, UV-Visible Spectrophotometer, Solar Cell Characterising Facilities etc. The research facility is capable to conduct works on photovoltaic (PV) conduction, synthesis and optical characterisation of nanomaterials etc. Scholars from CSIR-NEIST, Dibrugarh University, D.R. College, Golaghat, Kanoi College, Dibrugarh, Bahona College, Jorhat has been visiting this facility to conduct research works.

Bio-Tech Hub

Established in the year 2014, Bio-Technology Hub is a research facility under the Joint Venture of Department of Botany & Zoology. It was constructed from the financial grant of 45 lacs received from Department of Bio-Technoogy, New Delhi. Hub has sophisticated equipment's like PCR, UV-Visible Spectrophotometer and Microbiology Lab.

Career Counselling Cell

Career Counselling, Campus Recruitment and Placement Drives and counselling for competitive examinations have been an integral part of the curriculum besides being a regular feature of the College catering to learners over the years in terms of updating them about the latest trends in the job market, in working on their professionalism, their skills and in enabling them to pace themselves with cut-throat competition across the nation and the globe as well. Seven students of the College who qualified in a Campus Recruitment drive organised by TCS at Kaziranga University are slated to join very shortly. Besides, 20 students qualified in a written test conducted by NICM following a training which was held for 28 days w.e.f 20.2.2016. Another event on Skill Development was organised on 25.02.2018 to orient the learners towards facing interviews. As such career counselling is being held from time to time to mould and fashion the learners to cope with contemporary challenges.

Jaya Chatri Nivas (JCN) & Additional Women's Hostels

Named after Sati Jaymati, Jaya Chatri Nivas (JCN) is the Girls' Hostel of Sibsagar College. Total number of seats available is 124. Facilities available in the hostel are: common room, toilet, urinal, kitchen, dining hall, drinking water, library, recreation room, TV, Computer with printer & internet, carom board, chess etc. a volleyball court is also present near the hostel facility. For the admission in the hostel, applicant has to collect and submit forms to the office and selections will be

made on the basis of merit & distance from the home. Two more hostels are available for the female students which are situated in the vicinity of JCN. Total number of seats in all across these hostels is 150.

Boys' Hostel

Sibsagar College, Joysagar has a Boy's Hostel facility with a seat capacity of 52 students. Interested students can apply for the hostel facility during the time of admission. Selections will be made on the basis of merit and priority will be given to the students belongs to distant locations. Facilities available in the hostel are: common room, toilet, urinal, kitchen, dining hall, drinking water, library, recreation room, TV, Computer with printer & internet, carom board, chess etc.

Gymnasium Hall

A Gymnasium Hall is present near to Boys' Hostel where free equipment is provided to practice fitness activities and exercises. It is fitted with barbells, bench press, dumbbells, pullup bar, smith machine, peck deck machines etc.

Games & Sports

Sibsagar College, Joysagar has the Parag Chaliha Stadium, which is located at Joysagar Tinali, is a large playground. The construction of Indoor Stadium is in progress and is accepted to be completed within one year. However, the indoor games facilities are already available in the college. College has two adjacent Volleyball Courts that can be easily accessed by students residing in the hostels. The College organise College Week every year which includes events of games, sports, athletics & Yoga.

Indoor Stadium

College has a new and well-constructed indoor stadium facility, located at the south-west of Parag Chaliha Playground for indoor games and sport activities.

Auditorium Facility

The College has a very active group of people that have been continuously engaging themselves with different types of cultural activities viz. drama, act, singing, dance, street plays etc. Sibisagar College, Joysagar has the M.C.B. Bhavan (auditorium), which is fitted with facilities like LCD Projection, 16-channel sound mixture, sophisticated speaker-systems, online-UPS backup etc. is often used for cultural activities.

NCC

Provision of taking up National Cadet Corps (Army & Navy) are available in the College for both boys and girls. These are 49th Assam Bn. Navy and 10th Assam Bn Army. College NCC Unit is a important module of the college. It enrolls the senior cadets for 3 years NCC Course. First two years for 'B' and next one year for 'C' certificate examination. Each unit has 55 intake capacities. Our NCC units have got many prizes in last several years in ID and RD parades held each year at District Level. Cadets from these Units have participated in many events related to NCC drill practices, CATS, ATC, N IC, B LC and even in the PM Rally at New Delhi.

Contacts: 1. Lt. Dr. P. Rajkhowa, ANO 10 Assam Boys NCC, Sibisagar College Unit 2. Dr. S. Doley, CTO, 49 Assam Naval NCC, Sibisagar College Unit For further information visit: <http://nccindia.nic.in> Application form for enrolment into NCC SD/SW is available at: <http://nccindia.nic.in/en/cadets-enrolment-form-sdsw>

NSS

The National Service Scheme (NSS) unit of the college is very active and has been continuously providing its service to the society. NSS is an Govt. of India sponsored public service program conducted by the Department of Youth Affairs and

Sports of the Government of India. NSS is a voluntary association of young people in Colleges, Universities and at +2 level working for a campus community linkage. The philosophy of the NSS underlines on the belief that the welfare of an individual is ultimately dependent on the welfare of the society on the whole and therefore, the NSS volunteers shall strive for the well-being of the society. The Sibsagar College Unit of NSS is under Dibrugarh University from many years having done so many needful to the society. e.g.

Community Cleaning Programmes in and around the College Campus, Joysagar, Sivasagar Civil Hospital, Ranghar, Ghanashyam Mandir etc.

Five days Entrepreneurship Development Training Programme with the help of ICTACT and Govt. of India.

Blood Donation Camp in collaboration with Sivasagar Civil Hospital

Construction of Bamboo Bridge at Namdang River connecting five villages viz. Varaluwa, Kaloogaon, Gayan Gaon etc.

Celebration of World Environment Day etc.

Contact: Mr. Sukumar Das, Programme Officer, NSS, Sibsagar College Unit

Canteen

Sibsagar College, Joysagar has a spacious canteen which is open to students, teachers, guest and any other visitors. It serves delicious and hygienic food at reasonable prices. Common food items are easily available in the canteen. It has sophisticated drinking water facility for all. Special care has been taken for waste disposal produced by the canteen to maintain the hygiene.

Students Common Room

Sibsagar College, Joysagar has separate common rooms for boys and girls. Along with that, the college has been providing separate office room for Sibsagar College Students' Union. Recreational facilities are available in both common rooms. Facilities of some indoor games are also provided in there. Common Rooms provides a platform for students to interact and produce creative works amongst themselves.

Internet Browsing Centre

In the age of information, it is very important to keep our self-update. Sibsagar College, Joysagar has been providing free internet facility to the students and teachers at the Internet Browsing Cell of the Hiranya Prabha Memorial Central Library of the College. It also has the connectivity of N-LIST Programme through INFLIBNET.

Women's Studies and Development Cell

The College has a WSD Cell to create awareness of women's issues, perceptions of life, contributions towards society, inequality etc. including research, documentation, training, extension and advocacy. Among the important activities it publishes an annual journal called `Srijanee'.

COLLEGE UNIFORM

For UG Students

College ID Card and Badge are compulsory for all students inside the college. Uniform for boys - white formal shirt (half or full sleeve), navy blue pants, black formal shoe. For girls, there are two variants of uniforms:

- (a) White Churidar with navy blue churni and black formal shoe (leggings not allowed).
- (b) Muga (or muga coloured) mekhela, white chadar (with blue border), navy blue blouse and black formal shoe.

During winter, only navy-blue sweaters are allowed (for both boys and girls)

For PG Students

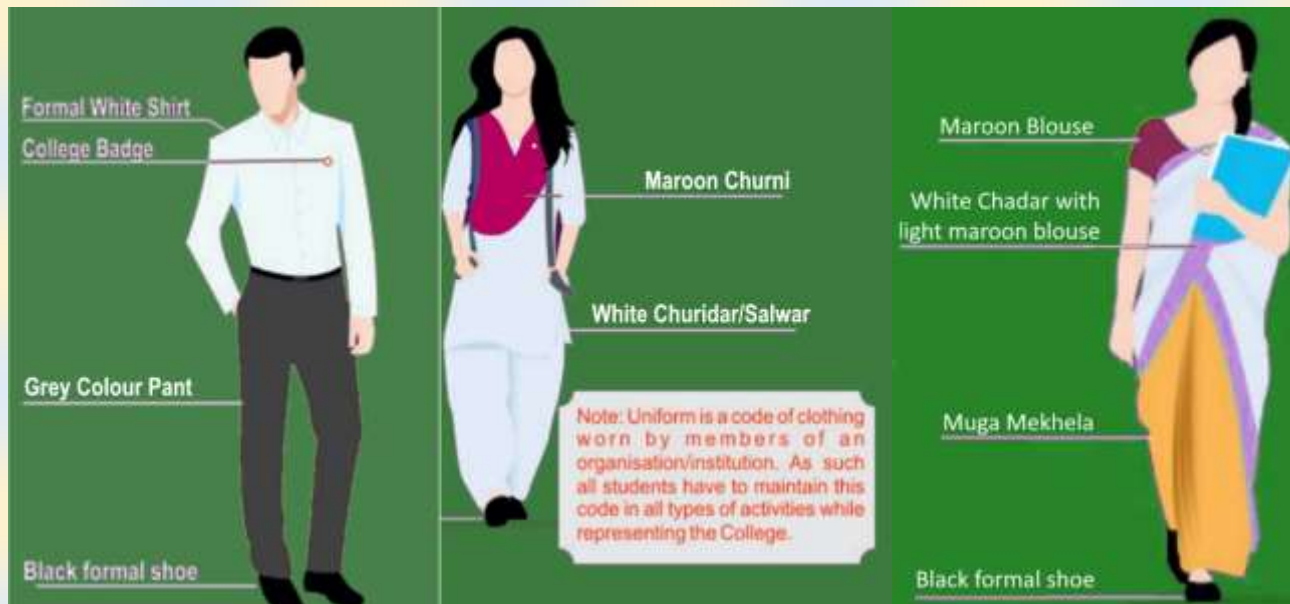

College ID Card and Badge are compulsory for all students inside the college. Uniform for boys - white formal shirt (half or full sleeve), grey (ash) pants, black formal shoe. For girls, white churidar with Maroon colour churni and black formal shoe (leggings not allowed).

During winter, only navy blue sweaters for UG and Maroon Colour sweaters of PG are allowed (for both boys and girls).

Uniforms for UG Students

Uniforms for PG Students

General rules for maintenance of discipline in the College

- The students admitted to the college must abide by all rules and regulations as prescribed by the college authorities.
- Violation of rules, indiscipline and misconduct of any kind may lead to disciplinary action like compulsory transfer/ expulsion from the college / hostel.
- Students must attend classes in prescribed uniform.
- A student should attend a minimum of 80% classes (as per latest DU regulation) held during an academic year. Students whose attendance fall below 80% but above 70% will be considered as non-collegiate. Students with attendance below 70% may be debarred from appearing in the final examination. Non-collegiate students will have to pay heavy fines at the time of filling up of examination form and there will be parent contact with the Principal. Parent will be called by the Principal.
- Appearing in the college examinations (Sessional/ terminals/ class tests/ unit tests) is compulsory, failing which they will not be allowed to fill up examination forms.
- Seminar/ Group Discussion/Assignment/ Field works are compulsory and must be completed in time.
- Students should frequently visit the college notice boards for any notification from the Principal, University or any other authority. Immediate response to such notification is very important.
- Students should be very much particular in filling up/ submitting/ signing various important documents related to their study/ examination etc.
- Ragging in any form is strictly prohibited in the College. If any incident of Ragging comes to the notice of the authority, the same shall be dealt with as per rules.
- Use of mobile phone in the College campus during class time (without permission) is considered as offence and one is liable to face punitive action for violation of college rules on this matter.
- 1st Semester students are required to go through the details of the rules and regulations governing CBCS system provided herewith.

IMPORTANT SCHOLARSHIPS/AWARDS/FREE-SHIPS GIVEN TO THE STUDENTS

- Gold Medal for Topper: Gold medal shall be awarded to the topper of FYUGP after the declaration of the result of final semester examination in 8th Semester
- Academic Excellence Promotional Fund: created by the contributions of the teachers,
- Welfare Fund: maintained by the college for the poor and meritorious students,
- Aurobinda Sarma Memorial Scholarship: fund for poor but meritorious students,

- Shanti Das Memorial Award: awarded to the best female graduates for both the science and arts faculty,
- Mohendranath Barman Award: given to the highest scorer in Mathematics
- UGC's Ishan Uday Scholarship
- Faruk Bora Memorial Scholarship
- Minority Scholarship for SC/ST/OBC
- Fee exemption to poor and meritorious students
- Late Lakhmi P. Biswas award for best chemistry graduate

FACULTY MEMBERS OF THE COLLEGE

Assamese

1. Dr. Mayashree Goswami Assoc. Professor
2. Dr. Archana Devi Assoc. Professor
3. Dr. Reetamoni Borah Assoc. Professor
4. Ms. Karabi Das Assoc. Professor
5. Ms. Khageswari Baruah Assoc. Professor
6. Dr. Madhav Ch. Baruah Asst. Professor
7. Mr. Nayan Chetia Guest Faculty
8. Ms. Geetanjali Borah Guest Faculty

Botany

1. Dr. Sangita Phukon Assoc. Professor
2. Dr. Utpal Dutta Assoc. Professor
3. Dr. Prabhat Ch. Nath Asst. Professor
4. Dr. Kabita Gogoi Asst. Professor
5. Ms. Punam Jyoti Borah Asst. Professor
6. Dr. Kangkan Pagag Asst. Professor
7. Dr. Nabajyoti Borah Guest Faculty (Life Science)

Chemistry

1. Mr. Diganta Borah Assoc. Professor
2. Mr. Prodip Kr. Goswami Asst. Professor
3. Dr. Nandita Goswami Asst. Professor
4. Ms. Monjumoni Das Asst. Professor
5. Dr. Pabitra Kumar Kalita Asst. Professor
6. Dr. Paramartha Gogoi Asst. Professor

Computer Science

1. Ms. Mozharur Rohman Asst. Professor
2. Ms. Smrita Mohan Guest Faculty
3. Ms. Rimpay Bora Guest Faculty

Economics

1. Mr. Dilip Das Assoc. Professor
2. Ms. Himanjoli Sarmah Assoc. Professor
3. Dr. Ranjit Kr. Gam Asst. Professor
4. Ms. Morami Dutta Asst. Professor
5. Mr. Bidyutt Bikash Hazarika Asst. Professor

Education

1. Ms. Malaya Borgohain Assoc. Professor
2. Dr. Manjuri Gogoi Assoc. Professor
3. Ms. Jyotica Borah Assoc. Professor
4. Dr. Parag Rajkhowa Asst. Professor
5. Dr. Sudipta Chakraborty Asst. Professor

Electronics

1. Mr. Ronen Prakash Dutta Asst. Professor
2. Mr. Krishna Dutta Asst. Professor
3. Mr. Mohan K. Kaptak Guest Faculty
4. Mr. Swapnanil Lahon Guest Faculty

English

1. Dr. Gayatri Goswami Assoc. Professor
2. Mr. Chandan Borgohain Asst. Professor
3. Mr. Pankaj Kalita Assoc. Professor
4. Dr. Golap Panging Asst. Professor
5. Dr. Sekhar Doley Asst. Professor
6. Mr. Rolungmuon Inbuon Asst. Professor
7. Dr. Uttam Boruah Asst. Professor

8. Ms. Mefrin Nahar Guest Faculty
9. Mr. Anup P. Gohain Boruah Guest Faculty
10. Ms. Atlantica Boruah Guest Faculty

Geology

1. Dr. Swapnil Hazarika Asst. Professor
2. Mr. Manash Pratim Gogoi Asst. Professor
3. Dr. Ranjeeta Kar Asst. Professor
4. Mr. David Khelma Asst. Professor

History

1. Ms. Kalyani Boruah Assoc. Professor
2. Dr. Tridib Mahanta Assoc. Professor
3. Mr. Sukamuni Das Assoc. Professor
4. Ms. Nabamalika Hondikoi Assoc. Professor
5. Mr. Adesh Dey Guest Faculty

Mathematics

1. Dr. Kallol Nath Assoc. Professor
2. Mr. Bhaskar Basumatary Asst. Professor
3. Dr. Rupam Kr. Gogoi Asst. Professor

Philosophy

1. Dr. Nirupama Bhattacharya Assoc. Professor
2. Dr. Sukumar Das Asst. Professor
3. Dr. Juthika Das Asst. Professor
4. Dr. Dipanjali Das Asst. Professor

Physics

1. Dr. Utpal Jyoti Mahanta Assoc. Professor (on lien)
2. Ms. Mary Moyee Boruah Assoc. Professor
3. Dr. Dulen Saikia Assoc. Professor (on lien)
4. Dr. Paragjyoti Gogoi Asst. Professor
5. Dr. Rajib Saikia Asst. Professor
6. Dr. Dipok Saikia Asst. Professor
7. Mr. Nirankush Mahanta Guest Faculty
8. Mr. Priyanuj Kalita Guest Faculty
9. Mr. Rishiraj Hazarika Guest Faculty
10. Dr. Priyanka Das Guest Faculty

Political Science

1. Dr. Bakul Patar Assoc. Professor
2. Dr. Sabyasachi Mahanta Assoc. Professor (on lien)
3. Dr. Rekha Borthakur Assoc. Professor
4. Mr. Rupjyoti Dowari Asst. Professor
5. Mr. Anupom Borgohain Asst. Professor
6. Mr. Shivraj Deep Gogoi Guest Faculty

Statistics

1. Dr. Pronamika Goswami Assoc. Professor
2. Ms. Pinky Roy Asst. Professor

Zoology

1. Dr. Chinmoyee Sonowal Assoc. Professor
2. Dr. Utpal Sarma Asst. Professor
3. Dr. Jugendra Nath Das Asst. Professor
4. Dr. Imdadur Rahman Asst. Professor
5. Dr. Paojatong Singson Asst. Professor
6. Ms. Dipjyoti Boruah Asst. Professor

Library Staff

1. Ms. Silpisikha Devi Librarian
2. Mr. Bubul Ch. Dutta Lib. Asst.

List of Non-Teaching Staff

1. Mr. Ranjit Boruah SA
2. Mr. Lekhak Hazarika LDA
3. Mr. Mridul Mahanta UDA
4. Mr. Utpal Baruah Lab. Asst.
5. Mr. Nilutpal Hazarika LDA

Grade IV Staff

1. Mr. Kanak Nath Lab. Bearer
2. Mr. Budhin Nath Lab. Bearer
3. Mr. Prasanta Saikia Lab. Bearer
4. Mr. Suchen Kr. Das Grade IV
5. Mr. Monuj Mili Grade IV
6. Mr. Muhin Saikia Lab. Bearer
7. Mr. Mohan Konwar Lab. Bearer
8. Mr. Munindra Chetia Lab. Bearer
9. Mr. Diganta Chetia Grade IV
10. Ms. Putoly Baruah Lab. Bearer
11. Mr. Robin Nath Lab. Bearer
12. Mr. Biswajit Gogoi Lab. Bearer
13. Mr. Horen Saikia Lab. Bearer
